

### Camp Wakonda COVID-19 Packing List

Please pack these special items for your camper, due to the COVID-19 pandemic:

- 10 face masks (these should each have 2-layers); these may be cloth or disposable
  - We recommend these be sent in a clean Ziploc bag
  - If sending reusable cloth masks, please include a second bag (clearly marked) for dirty masks
- Hand sanitizer (1 portable container and 1 pump bottle for the child's personal use)
- Reusable water bottle (as drinking fountains will not be available)
- Please limit camper luggage to necessary items, and encourage your child to keep their belongings organized and away from other camper's belongings

Please contact Pastor Ben George ([bgeorge@cantoncpc.org](mailto:bgeorge@cantoncpc.org) or 330-735-2740) if you have questions about Wakonda's COVID-19 precautions.
