THINGS YOU WON'T NEED

Camp is a special time away. Some of the things needed at home are not necessary at camp. In fact, there are a few items to make sure to leave at home:

- Money, cell phones, radios or other music players, electronic games, pets, food, and items of significant value.
- Tobacco, alcohol, illegal drugs, fireworks, firearms, and weapons of any kind are prohibited at camp.
- Camp has a modest approach to our expectation of camp attire. We ask campers not to bring clothing with alcohol, drug, tobacco, or sexually suggestive slogans or logos. Halter tops, tube tops, backless shirts, sheer clothing, mini-shorts or skirts, exposed midriffs, and exposed underwear do not align with camp expectations.

Personal sporting gear brought to camp for specialized camping activities must be inspected by camp recreational personnel prior to use, must be clearly labeled, and is the camper's responsibility.

Camp provides great entertainment, meals, and snacks, and each camper will receive a shirt and a link to all pictures and videos taken during this event.

HEALTH CARE AND YOUR CAMPER

Each camper must have a completed Health Form. You can either fill out this form in your online account or bring completed form to camp check-in.

- A Camper Health Assessment is part of the Check-In procedure that includes checking camper temperatures, discussing recent sicknesses or exposures, and going over the camper Health Form. All medications will be received and logged by camp personnel during Check-In.
- **All prescription and non-prescription medications must be in their original containers and clearly labeled with your camper's name and dosages.** Pill organizers/unlabeled bottles are not allowed. Dosage instructions are strictly adhered to unless alternate written/signed physician's orders are provided.
- Daily dispensing of prescribed medications, basic first aid, and health monitoring are provided while at camp. Families will be notified if your camper vomits, displays any COVID-19 symptoms, has a persistent condition (i.e. headache, nosebleed, fever, homesickness), or needs to be taken to the doctor or emergency room (Erlanger Children's Hospital, Chattanooga, TN).
- Special dietary needs should be noted in the camper Health Form. We can accommodate most dietary needs and/or allergies. Contact the camp office at 706-820-1163 or email admin@camplookout.com at least two weeks before your camp session to allow enough time to address concerns.
