

# CAMP CHALLENGE

Hello Camp Family. 2024 was an amazing year. With all the camps, retreats and rentals, we have had close to 1000 people step on the grounds of Camp Challenge. God has done some incredible things in many lives and we are so thankful to be a part of it all.

## Summer Camp

This year theme was “The Great Adventure” based off the scripture Joshua 1:9. “Have I not commanded you? Be strong and courageous. Do not be frightened, and do not be dismayed, for the Lord your God is with you wherever you go.”

Our goal was to challenge and encourage students to be courageous in their pursuit of Christ and to be bold in the plans that God has for them.

Through exciting worship, great messages, and all of the other crazy adventures that happen at camp, we watched kids grow in their faith, make new friends, and even gain more confidence that God can use them.

We are looking forward to an exciting summer in 2025 as our new theme will be “Uncharted”! We will look at the faith of Abraham as he ventured where he had never gone before.

# Director's Word

Wow! First year as Executive Director is in the books. What an incredible experience. I could not have asked for a better beginning. I could not have done it without the incredible summer staff and volunteers, all of the support I have received from churches, individuals, donors and supporters. God has proved himself over and over that He is the owner of this camp, and his purpose for this camp will continue to go forward.

God has given myself and the board an incredible vision going forward and I can't wait to see where we go!

## Year End Giving

As 2024 closes out, we would love if you would partner with us in helping Camp Challenge close out on a great note financially. We took a significant hit with close to \$30,000 A/C repair bill. We lost now 5 of our 11 A/C units that are used in different buildings. We have only been able to repair 3 of the 5 so far. We have a generous donor that is matching any donation up to \$8000 to help with the cost. Thank you in advance.

## Future Plans

There are a lot of camps out there and many are absolutely incredible. But...one thing I learned this year is that few camps do what Camp Challenge does so well. The culture of Camp Challenge to build relationships and encourage students in their faith. Using our cabin times and small group settings to accomplish this is what sets us apart.

This giving Tuesday and beyond we are raising funds to install a **low ropes/team building course** on our property. This activity is to help give our cabins and groups the opportunity to challenge themselves as a group and as individuals, helping them to grow closer together. All of this culminates with teaching to help us understand the importance of working together in the body of Christ to achieve the goals and purpose that God has for His church. Our goal is \$5000, and thank you for helping.
