

How To Become A Service Crew Applicant

Joining the Service Crew team is the first time most guys will be a part of the Ohio Brigade Camp staff. It's different. It's hard work. However, it is one of the very important ministries at summer camp. Being a part of the Service Crew is rewarding to the young man who is looking to make a significant impact in the running of camp, in the team of staff members, and in the lives of boys from all over Ohio. It is also a good stepping stone toward becoming a Junior Counselor at Ohio Brigade Camp.

If you think it's for you, you need to know a few things first:

1. You may commit to one week (or multiple weeks with special permission) of Service Crew. Your acceptance is based on your application and reference forms. We prefer workers who have experienced Ohio Brigade Camp as a camper.
2. You need to be willing to work wherever the camp needs you during the week/s you are committed. You are volunteering to provide necessary cleaning so that campers have a great week.
3. Each applicant is required to raise a prayer support team.
4. Although many of our Service Crew team members go on to become Junior Counselors, it is not guaranteed.
5. If space permits, you will be bunking in the staff cabin with other Central Staff and Service Crew members.

If you still want to proceed, great! Now do the following:

1. Read the Job Description carefully.
2. Go to www.OhioBrigadeCamp.org, click on "Registration", and "Service Crew".
3. **Distribute the two (2) Reference form links* as follows -**
 - one to a church leader, such as a senior pastor or youth pastor
 - one to a Brigade leader, teacher, or coach.

Have them fill out the reference form online. The link you should give your references is:
<https://www.ohiobrigadecamp.org/registration/service-crew-reference>

*** Instruct your references to fill out and submit their form right away.**

When the Camp Committee gets all of your forms back, they will make a decision and inform you by either email or phone call.

Questions... contact Dale Kinkade (330) 898-2137.

No Service Crew member should serve more than 2 weeks in one season.

Whatever the outcome, pray that the Lord's team is selected for this great opportunity!
