ROUND UP THE History

1953 Rocky River Ranch was founded

In 1953 Carol Knolt and Jane Brown founded Rocky River Ranch!

Mama Knolt (Carol Knolt) decided that camp should be based off the old west with help from local architect Chester Franklin. The designs were designed and the hunt for materials began. Every big city that was tearing down old buildings was visited. Any old artifact mama Knolt liked was taken. One big find - the old bar and mirror in the 49th - was found in Houston. Some of doors and windows were taken from the old Hutchins hotel in San Antonio.

history of the Round up

We have records of the rocky river roundup as early as 198ⁿ. That means this paper is almost 44 years old and it could be older. Lots of the old papers had Mickey mouse and other old Disney themes. They used to print all the addresses in the back of the paper. We even saw how they sent the news of camp BEFORE technology!

In Loving memory of Sheet

Mary Anderson more commonly known as Skeet. She served in the navy and was a dedicated girl scout. As a girl scout she loved to sing, she brought lot of songs to camp her first year of camp she brought "One Bottle of Pop." She sadly passed January 5th 2024 she was a beloved owner of camp and will gratefully be missed.

WAGONS CIRCLE B

Day in the life of a RRR girl

By: Georgia Cashman

Seven AM, the usual morning grinning
start on the capers and sweep till the floors all clean

eat and hit till the tables scream & mop up the tables
make the bed again and by then it's like nine o'clock

and so ill go to class and maybe swim or laugh
ill add a few new skills to my favorite things
ill play with my friends and crochet and bake and basically
Just wonder how can i stay?

then after lunch it's mail call and crinkletime to play with all

rest time a bit of sleep and fun

Chevron and chinese staircase and crackling notes
then ill stretch maybe sketch
take a climb on the rock wall

and ill Be reminded to have some water
ill have some more fun with my cabin mates

and then the counselor will braid and braid a chair
Loving my classes like ive always been
and ill keep wondering and wondering and wondering

how can i stay?
