Our Wee friends

You may have noticed that we had a huge batch of new campers this year so much in fact that the wranglers ran out of heads! But still that's not the end of the new campers! Say hello to our new friends... The ~~wees~~ wees! Creations of our friends in the crafts class, the wees are created with felt and love. They are known to live in tins, if you wish to know more about them than you can come visit your friends ~~in~~ in ~~the~~ crafts, and check there tins to see there story, and more about them. Many of there aliases state the name "Bob" such as "Savage Bob", "Mr. Bob pants", "Banana Bob" and more! Campers are showing the wees all around camp, showing what it means to be a camper here at RRR.

ICE CREAM vs CANDY

18 > 4

Why: They voted for Ice cream because they said it is hot so it cools them down.

POOL vs RIVER

Macartney

Graph:

$$13 > 8$$

Winner

Why: ~~they~~ they said the pool was better because there is too much algae in the river and you can't jump.
