1068 Howell School Road, Bear DE 10701  
(302) 368-6989

## ADVENTURE CAMPS

The summer camp building will be at the Recreation Center, located on the right past Area 2. This facility is temperature controlled during the summer months with air conditioning. Campers will have personal cubbies for storage of clothes and other items for the week. Campers will also have access to a water fountain to refill water bottles. Depending on the camp, campers may be transported to other parts of the park in the 14-passenger mini-bus or mini-vans. An email will be sent out a week ahead of the camp with more details about the camp and an agenda for the week.

Camp begins promptly at 8:30 a.m. and ends promptly at 3:30 p.m. Please plan for campers to be dropped-off and picked-up at those times. Please note, as we pay our staff for the time worked, there will be a fee for late pick up. Only those listed as authorized pickups will be able to pick up your child. Please be sure they have photo identification.

Camps that list high adventure activities (rock climbing, kayaking) involve physically demanding and endurance activities. As in any sport there are occasional injuries. Our camp instructors are trained in safety and first aid and will contact you if there is an injury. **Most of our camps include water activities such as boating so campers must be able to swim.**

### Adventure Camp Checklist:

- ✓ A hearty snack and lunch
- ✓ A filled water bottle (recommended one with strap for hikes)
- ✓ Closed-toed Water Shoes
  - “Beach-style” water shoes recommended or old sneakers.
- ✓ Complete Change of Clothes (including undergarments)
  - Packed in a plastic bag so dirty/wet clothes can go into the bag
- ✓ Towel
- ✓ Rain gear
- ✓ A backpack and hat – recommended not mandatory.
- ✓ Insect Repellent
  - Child safe repellent for ticks and mosquitoes is recommended.
  - Repellent should be applied before the camper comes to camp.
- ✓ Sunscreen
  - Sunscreen is recommended and should be applied before the camper comes to camp.
  - Non-Aerosol sunscreen can be packed for reapplication.
