

CAMP HOOVER PACKING LIST

The packing list is designed to provide your child with a sufficient quantity of clothing for one week without washing. Each item should be labeled and packed so that you have **ONLY TWO PIECES OF LUGGAGE**, a duffel (no suitcases or trunks allowed) and sleeping gear. Try [Mabel's Labels](#) for personalized labels for your camper- be sure to search Camp Hoover under Support a Fundraiser in upper right hand corner. It is a good idea to pack all articles of clothing in plastic zip lock bags to avoid the clothing getting wet or damp. All luggage must be able to fit under the cots in the tents and bunkbeds in the buildings – the maximum height should be no more than 14". Keep in mind that your camper will need to move her own luggage from the Program Shelter to her tent, so try not to make duffel too heavy.
