**While the Girl Scout mission is central to everything we do, no prior Girl Scout experience is needed to join our summer camp programs. Anyone who identifies as a girl, regardless of race, religion, physical ability, economic background, or national origin, is welcome to participate and enjoy all that our camps have to offer.**

## Why Camp?

High-quality camps offer a vibrant, supportive environment where children can thrive. Through hands-on activities, campers build meaningful friendships, develop a sense of belonging, and grow under the guidance of caring mentors. According to the American Camp Association's (ACA) most recent National Camp Impact Study, camp experiences foster confidence, independence, social skills, and resilience—equipping children with the tools to tackle challenges and embrace opportunities. Camp provides a blend of fun, learning, and personal development that can't be replicated elsewhere. It's an experience that creates memories and skills to last a lifetime.

## Why Girl Scouts?

For over 110 years, outdoor adventures have been a cornerstone of the Girl Scout legacy. Beyond the fun, friendship, and skill-building, Girl Scout summer camps offer young participants life skills that can't be found elsewhere. Through the Girl Scout Leadership Experience, every activity is carefully designed to inspire discovery, foster meaningful connections, and empower action in an ever-changing world—nurturing personal growth that reaches far beyond the campgrounds.

## Our Vision

At Girl Scouts Heart of New Jersey, our camps are designed to foster leadership, confidence, independence, and a strong sense of community. We welcome both current Girl Scouts and those who are new to the experience, creating a diverse and supportive environment where participants can unlock their potential, explore new opportunities, and develop essential life skills. Along the way, they'll make lasting memories and friendships that will stay with them for a lifetime.

## Our Program Philosophy

The Girl Scout Promise and Law are at the core of everything we do, guiding the values, skills, and attitudes we foster in both our staff and campers. We are committed to ensuring that every camper enjoys a meaningful outdoor experience. When Girl Scouts explore the outdoors, they discover their ability to solve problems, overcome challenges, build leadership skills, and experience greater happiness. At camp, campers are encouraged to challenge themselves, take healthy risks in a supportive environment, grow as individuals, become part of a community, and most importantly, have fun.

# Meet the Directors

### The OVAL: Kate "Brisca" Grenci

Camp has been a central part of my life for nearly 30 years, and I'm excited to welcome campers to another summer of fun and friendship. I truly believe that camp builds an incredible foundation that your camper will carry with them for the rest of their life! I know this from my own experience with Girl Scouts Heart of New Jersey. I grew up as a Girl Scout, attended Camp Hoover, and eventually worked my way from Junior Counselor to Assistant Camp Director. I hope every camper enjoys their time here as much as I did—making lifelong memories, building friendships, and having experiences they won't find anywhere else. As a lifelong Girl Scout and camper, I know the magic of summer camp, and I invite you to join us and experience it for yourself!

### Camp Hoover: Deb "Hook" Hooker

For more than 40 years, Camp Hoover has been a part of my life, and with each summer, my connection to this special place only grows deeper. The magic of camp is in every moment—whether it's a camper overcoming a fear, learning something new, taking that first dip in the lake, or simply reuniting with friends around the campfire. One of my favorite traditions is our Saturday morning closing ceremony, where we come together to share these magical experiences. Hearing campers talk about making new friends, paddleboarding, sleeping under the stars, and, of course, dreading the walk up the waterfront hill always fills me with joy. As we get ready for another summer, I can't wait to welcome your camper to experience the magic of Hoover for themselves!

## Safety Is Our Priority

Ensuring the health and safety of our campers is our highest priority as we plan for Summer 2025. We continue to partner with Girl Scouts USA, the American Camp Association, the Alliance for Camp Health, and local, state, and national governing bodies to ensure we follow the latest safety protocols.

**Safe and Secure:** GSHNJ's summer camps are accredited by the American Camp Association (ACA). Independent health and safety audits conducted by the ACA ensure that we uphold the highest standards of accountability, credibility, and commitment to health, safety, and program quality. Additionally, our camps adhere to the health, safety, and security guidelines set by GSHNJ, Girl Scouts USA, and the New Jersey Youth Camp Safety Standards.

**Staff:** Our camp staff includes college and high school students, teachers, and professional subject matter experts, all with a passion for working with youth in the outdoors. Each staff member undergoes intensive training focused on safety, communication, program delivery, camper needs, leadership, and team-building. Red Cross-certified lifeguards supervise all water activities, except brooking at The OVAL.

**Interested in joining our team and delivering the magic of camp? See page 5 for more information.**

**Health Care:** A dedicated Health Supervisor is on site while the main camp program is in session. In addition, our lifeguard staff and most unit staff are certified in First Aid, CPR, and AED. An AED machine is readily available at all times on each of our properties.

# Day Camp

## The OVAL Maplewood, NJ

### Welcome to our Day Camp!

The OVAL is a historic gem tucked away in the picturesque South Mountain Reservation. With its forested surroundings, rustic cabins, and expansive field, it offers a touch of wilderness right in the heart of Essex County.

**Day Camp runs from July 7 through August 15,  
Monday through Friday, from 9:00 a.m. to 4:00 p.m.,  
and is open to campers entering  
Kindergarten through 10th grade.**

You'll have two types of programs to choose from at The OVAL: general and specialty.

**General programs** provide a full range of traditional outdoor activities and challenges suitable to your age and skill level. As you grow, these programs evolve, encouraging mastery of skills and inviting you to explore new opportunities. Each general program follows a weekly theme tied to a badge, allowing you to experience the best of what camp has to offer while learning new skills.

**Specialty programs** let you focus on a specific area of interest, dedicating large portions of the day to the activities you're most passionate about. Like the general programs, specialty programs include earning a badge or award related to the theme.

No matter which program you choose, you'll enjoy all the fun activities open to everyone, such as arts & crafts, hiking, outdoor cooking, STEM activities, field games, and more. Archery is available for campers in 2nd grade and older.

Program fees include all activity supplies, one t-shirt, daily afternoon snacks, and earned badge(s).

Never been to The OVAL before? See page 27 for information about tours, open houses, and camp director office hours.

### Overnight Camping

Extend your summer adventure by spending the night at camp! If you're entering grades 4–10, you can experience the magic of camp after dark. Enjoy dinner together, gather around the campfire for s'mores and songs, and then rest peacefully in your cabin at The OVAL,

Girl Scouting and Girl Scout camps are deeply rooted in tradition! Some traditions span the entire movement, while others are unique to individual camps or councils. At GSHNJ camps, we proudly carry on these cherished practices. Activities such as daily flag-raising ceremonies, reciting the Girl Scout Promise, and closing ceremonies are integral to both Day and Sleepaway Camps.

Campers also engage in friendship circles, Scout's Own gatherings, singing songs (which may vary from camp to

camp), saying graces, making s'mores, enjoying campfires, earning badges, and practicing the Girl Scout handshake. These traditions connect us to our shared history while leaving room for evolution as the world around us changes.

At the heart of Girl Scouting is the Girl Scout Promise and Law, which reflect principles and values shared across diverse religions and cultures. We encourage all campers and staff to decide for themselves how they wish to participate in these traditions, just as they do with other camp activities.

# Registration FAQ's

## Girl Scout Membership Info

All campers must be Girl Scout members, either with GSHNJ or another Girl Scout council.

### Already a 2025 Girl Scout member?

Continue to “Ready to Register for Camp?,” below.

**Had a GSHNJ Membership in 2024, but haven't renewed for 2025?** Visit [www.gshnj.org](http://www.gshnj.org) and click on myGS.

- Log in using your email as your username.
- Click on the green “Purchase Membership” link.
- Complete your membership purchase.

### Registering your camper for a Girl Scout membership?

**Use these details, please DO NOT** put in your own zip code. This ensures that your camper is registered as a Girl Scout without joining a traditional troop:

- Camp Hoover: Zip code 08876 and use “Camp Hoover Registration” as the troop number.
- The OVAL: Zip code 07090, and use “The OVAL Summer Camp Registration” as the troop number.

**Need help? Call Member Support at 908-947-1708.**

**Important:** If campers don't purchase or renew their membership by June 11, 2025, their camp registration will be canceled, and the \$100 per session, non-refundable, non-transferable, camp registration fee will be retained.

## Ready to Register for Camp?

- **Use the QR code on the back of this guide to access our Summer Camp website.**
- If you created an account last year with our new registration system there is no need to create a new one. Simply log in with your existing account. If you are new to the system, an adult must create the account and then add their camper(s). This is a great opportunity to ensure your contact information, including emails and phone numbers, is up to date. **Please do not make an account in your camper's name.**
- Once logged in, you can register for all GSHNJ camps and programs for one or more campers in your family. Select the camp(s) and program(s) your camper(s) is interested in.
- Select any add-on options, like before/after care.

If you're a GSHNJ Girl Scout you can also apply for financial assistance, if needed. Please note: You must still register your camper and pay the \$100 per session camp registration fee. This fee is refundable if financial assistance is denied.

- Review your cart for accuracy.
- Click “Proceed to Payment.” You can either pay in full or pay the \$100 per session, non-refundable, non-transferable deposit to secure your spot(s).

If paying only the deposit, you'll have the option to set up a payment plan. Final payments will be automatically collected by UltraCamp on June 11, 2025.

All registrations made on or after June 11, 2025 must be paid in full at the time of registration.

GSHNJ may cancel programs if registration does not meet the minimum required. In the event of cancellation, alternate programs will be offered, or a full refund will be provided. See the next page for refund details.

## What's Next?

During the registration process, you'll fill out the required Health History and additional camp program forms. These must be completed before making a payment. Please fill out all forms thoroughly and honestly, as this information helps us provide the best care for your camper.

We no longer require copies of immunizations or insurance cards. Please ensure that the information is accurate in the online Health History.

A doctor's signature is no longer required on the Health History form.

The Document Center is your go-to resource for important information, including the Family Guide (by end of March), camp directions, packing lists, bus details, and the ability to upload forms or financial assistance documents, if needed.

The Family Guide and additional information for each camp is also posted on [www.gshnj.org/summercamp](http://www.gshnj.org/summercamp).

## Can I Change a Program or Session?

A \$50 transfer fee applies to any program or session change.

To request a change, email: [summercamp@gshnj.org](mailto:summercamp@gshnj.org) and include the camp, program/session, and your camper's full name in the subject line. Please note that changes will only be made if space is available in the requested session or program, as some may fill up quickly.

## Is There a Waiting List?

Yes—if a program is full, the registration system will allow you to join a waiting list, which is dated and timestamped. However, you will not be able to see your position on the list.

If a spot becomes available, you'll receive an automated email from the UltraCamp system with a link to complete registration. You will have (2) days to register. After that, the spot will be offered to the next person on the wait list.

## What if I Want a Refund?

Refund requests received prior to June 11, 2025, will be processed minus the \$100 per session, non-refundable, non-transferable, camp registration fee.

## Why is my deposit non-refundable, even before the session begins?

Fees are incurred in advance to prepare for your camper, including site preparations, supply purchases, and staff training. Please send refund requests to [summercamp@gshnj.org](mailto:summercamp@gshnj.org), and include the camp, program/session and camper's full name in the subject line.

No refunds will be issued after June 11, 2025, except for circumstances involving a death in the immediate family or medical necessity (a physician's note must accompany request). These refunds will be processed minus the \$100 per session, non-refundable, non-transferable, camp registration fee. If a refund is requested after a session has begun, it will be pro-rated.

Weather-related refunds will not be issued unless the camp is closed. If the camp closure occurs due to weather pro-rated refunds will be provided to registered campers. Cancellations related to communicable disease exposure will be handled on a case by case basis.

## Discounts

**Early Bird Discount:** Save \$35 if you register and fully pay for your campers by January 15, 2025.

**Sibling Discount:** Sending more than one child to camp? After registering your first camper, each additional sibling from your household receives a \$35 discount per session.

**Multi-Session Discount:** Attending camp for more than one week? Receive a \$35 on each additional session after the first. The Multi-session discount does not apply twice to two-week sessions.

**Camp Staff Discount:** Working at camp this summer? Your camper's base fee is covered! The discount applies to immediate family member. Contact your camp director for more details.

Please note, discounts for short sessions at Camp Hoover have a smaller multi-session and sibling discount.

## Financial Assistance

Any registered GSHNJ Girl Scout can apply for financial assistance. Campers must be registered members of GSHNJ by November 30, 2024. If your camper is a member of another Girl Scout council, please contact your local council for assistance options.

Financial assistance may cover up to one week of the base camp fee per camp, with the amount determined by family eligibility and available funds.

To apply, complete the online camp registration with a \$100 deposit per session before submitting the CFA form. If financial assistance is denied this deposit will be refunded.

The deadline for submitting the CFA form is May 15, 2025. Applications received after this date will not be accepted. Final decisions will be made by June 1, 2025; and notifications will be sent via email.

### Camp DeWitt Summer Update

Starting in 2025, summer camp operations will no longer be held at Camp DeWitt. After careful consideration, we made this decision due to rising operational and facility costs that impact our commitment to safety and quality. However, Camp DeWitt will continue to be available for Girl Scout programs and rentals, allowing families to enjoy this cherished space throughout the year. To support families seeking a Girl Scout summer camp experience, we have two alternative options. Campers can join the adventures at Camp Hoover or explore Camp Oak Spring in Somerset County through our partnership with Girl Scouts of Central & Southern New Jersey.

Families who register for Camp Oak Spring in March can use the coupon code NEWFRIENDS25 at [app.campdoc.com/!dn/login?r=gscsnj](https://app.campdoc.com/!dn/login?r=gscsnj) to save up to \$70 per week—a \$40 discount plus \$30 off per week for those driving their camper. Please note that space at Oak Spring is limited, and registration is not guaranteed.

**We believe that camp is for every camper** regardless of their financial situation. Find out more about how to apply for Financial Assistance on page 30.
