

Hi, Campers!

We are so excited for Senior High Camp 2024! We have so many fun things planned for the week. This year's theme is Created For Worship, from Psalm 46:10. We will connect with God, as we discover how people are uniquely created to worship. As we explore the day of rest, that finished the creation week and we will realize how our need for rest is fulfilled in worshipping God. At camp, our main speakers will be focusing on what the Bible says about worship. We will be learning about missionaries and what we can learn from their lives during our devotion times and personal times with the Lord. In nature programs, we will experience the days of creation, discover answers to questions of origin, learn survival skills, and more!

We would like to let you know about some activities during the week. We have two theme nights. We will be having Mexican Night and Hawaiian Night. If you would like, you can bring things to wear to these meals. During the week, we will be floating on tubes down the Black River, so please bring a swimsuit, sunscreen, and a towel. We will also have some sports tournaments, Team Adventure Challenge (TAC), and other active games. Please bring tennis shoes and clothes that can get dirty. We may have warm weather the week of camp. Please pack a water bottle with your name on it, so you can stay hydrated during activities. If you have a sleeping bag, you may want it when your dorm sleeps out during one of the nights. Camp does not provide bedding, so please bring your own bedding for in the dorm or wagon. Campers sleep on a mattress on a bunk for the week.

Come to camp ready to learn about the Lord and to have fun with activities throughout the week. We can't wait to see all of you at Senior High Camp!

Your directors,

Jonny and Cierra Page
