

Welcome to the Girl Scout camping experience.

We are excited to have your camper join us for a summer adventure! Family Day at Overnight Camp is a great introduction to our camp programs and allows you and your Girl Scout to explore all our camps have to offer!

Please read through this packet as it contains essential information for you and your camper. Our Girl Scout overnight camps are the perfect place for your girl to develop new skills and build self-confidence in a safe, fun environment. Many campers come to overnight camp because they want to have fun, but they leave with so much more!

If you or your camper has any questions, please do not hesitate to contact us via email at answers@girlscoutsosw.org.

Family Day runs 10 a.m. – 4 p.m. Please arrive on time so we can start activities right at 10!

Meals at Family and Troop Camp

Campers will enjoy a family-style lunch served in the dining hall. Meals are carefully planned to ensure generous amounts of healthy and nutritious options. Campers' appetites, likes, and dislikes are taken into account when planning meals. Nutritional value and inclusion of the food groups are also considered when putting together menus for the summer.

Food is readily available all day for any camper who wants a snack, as we know how much energy is spent having fun!

Special Dietary Needs and Food Allergies

Most dietary needs can be accommodated (vegetarian, lactose-intolerant, gluten-free, etc.). Special diets may require the participant to bring some of their own food to supplement the meals provided by the camp. Although we cannot guarantee a peanut-free, nut-free environment, we can ensure that a camper's meal is peanut-free.

If your camper has any specific dietary restrictions or needs, please put them on the Camper Health History/ Release form.

Additional Special Needs

Please contact the outdoor program manager for campers requiring special health care or with mobility limitations. Together, you and the outdoor program manager can discuss the nature of your camper's needs and gather additional information to determine if the camp can provide the proper support, supervision, and necessary accommodation for your camper to have a safe, fulfilling camp experience. Your camper needs to feel comfortable in the following camper-to-counselor ratios:

- Grades K and 1 – 6:1
- Grades 2 and 3 – 12:1
- Grades 4 and above – 16:1

We are dedicated to serving ALL girls in our council, and accommodation can be made in many cases. Please contact the outdoor program manager at overnightcamp@girlscoutsosw.org if you would like to speak about accommodation.

Program Session Information

Family Day is a great way to try all that camp has to offer! It is a jam-packed day where camp staff will lead:

- Swimming
- Boating
- Crafts
- Singing
- Archery
- Rock climbing (Camp Arrowhead only and grades 4 and above)

Modifications and Changes

For a variety of reasons, although rare, Girl Scouts must occasionally cancel a camp session. If this occurs, you can expect the entire camp fee (including the deposit) to be refunded or an alternative camp session to be found. Other times, certain activities described in the camp brochure must be suspended or changed due to circumstances beyond our control, such as inclement weather or safety considerations. In these situations, we try to adapt by offering equally valuable alternative programs. Under circumstances of this type, refunds should not be expected.
