

Lindsay Gizicki Author Visit Order Form

We are excited to have author Lindsay Gizicki visit our camp!

Find out more about Lindsay and her book at www.hankaroo readings.com

Each order comes with character stickers + bookmark!

Witness the depth of a mother's love and just how far that love can take you—if you just believe.

"A beautiful book detailing the endless lengths of a mother's love and support for her children. Every child should be encouraged to follow their dreams and take risks with the comfort in knowing how loved they are and that there is always a safe place at home."

Join Rue on a quest to help her dear comrade, Bandana Jack, when he comes to her with a dire problem! Our courageous Rue sets sail to prove that girls have a place in any pirate story, especially as the heroine.

"A fantastic read for every child! Our family loves how the author spotlights Rue as a capable young girl, who can accomplish anything she puts her mind to! The illustrations are perfection."

Two children playfully guard their mother's garden from cheeky critters that steal their fruits and vegetables. But their arch enemies—the squirrels—prove to be the biggest tricksters of all.

"This book is seriously so cute! I think so many kids can relate to pesky squirrels and growing a garden outside. It's definitely a fun read and has a lot of humor sprinkled throughout! The overall theme is very sweet, and the illustrations are so fun."
