

# Cranbrook Day Camp

Week  
Four

The CDC 4th of July festivities were a ton of fun in the sun as the campers slip-n-slided into summer! The boys really rocked their ride on the super slides, and the obstacle course was a big hit. Let's not forget the music, dunk tank, lawn games, and the bounce house! Snow cones, cotton candy, and a delicious BBQ feast with cold watermelon were enjoyed by all!

Week four promises another enriching experience as we get geared up for the CDC counselor volleyball challenge. Our counselors will continue to be encouraging of our boys of summer to try something new or dare them to push their limits at different activities!

## Counselor Spotlight

### Julia - Polar Bears

Hello, my name is Julia, and I recently graduated from Kent State University with a degree in Musical Theater. I chose Cranbrook because this community strongly supports and values the arts, which was a major draw for me. As a performer, I am excited about the opportunity to work with kids and help create a safe and fun atmosphere where they can express themselves. In my spare time, I love reading, playing with my dog Pedro, swimming, tap dancing, singing, and listening to music.

### Gavin - Soccer Instructor

This is my first summer with CDC. I choose Cranbrook Day camp for the strong, inclusive culture it fosters. I enjoy working with kids because it allows me to apply what I know. My goal this summer is to have a positive impact on my campers. During the year, I study Political Science at the University of Michigan, and I hope to study law one day.

### Danae- Bamboo Bandits

I'm looking forward to my first summer at Cranbrook Day Camp! I decided to work at Cranbrook Camp because the counselor position aligns with my interests. I have lovely memories of attending summer camp as a child, and I hope to make my campers' experience just as wonderful. I believe children are naturally imaginative and creative, and I enjoy being around them.

### Jonah - Rhinos

My name is Jonah, and I will be a senior at Kingswood next year. I am eagerly anticipating the opportunity to connect with all of my campers. I believe that being a camp counselor is an incredibly fulfilling experience because it allows you to apply your knowledge in guiding young children and supporting them to reach their full potential.

## CDC Drop Off

Camper drop off begins at 8:45am. Our counselors will greet your camper at the car. Anything that needs to make its way to the office can be handed to the counselor during drop off. Please use the Boys Middle School entrance located off of Valley Way.

### The CDC Promise

We, the CDC Camp Staff, promise to provide our campers a fun and memorable experience that helps them grow into respectful and responsible young men. In doing so, we strive to provide all campers several opportunities to see integrity in action.

## Pertinent Information

## CDC Pick Up

Pick up takes place in the same place as drop off. We dismiss at 3pm and need your help to keep things moving smoothly. Please have your authorized pick up form in our staff's line of vision. This form can be found online inside the Document Center. For early pick ups, please notify the office by emailing [cranbrookdaycamp@cranbrook.edu](mailto:cranbrookdaycamp@cranbrook.edu) or give us a call at 248-645-3674 option 2

## Reminders

- Label all of your child's belongings!
- If your child forgets something at camp, have them look in the lost and found in the lobby of the Boys Middle School.
- Any medications brought to camp need to have an Authorization to Administer Medication (AAM) form with them. Please deliver forms and medication to the camp office or give it to a staff member at drop off
