

# Cranbrook Day Camp

Week  
Six

Our CDC morning welcome....

“HEY CAMPERS!”  
“HEY WHAT?”  
“BE WHAT?”  
“BE KIND!”

Camp Kindness Day was a soaring success as the Thunder-Hawks, Thunder-Pandas, and Thunder-Giraffes worked their way across the score board with the common goal of being first to achieve "100 Random Acts of Kindness". Week six promises another enriching experience as we get geared up for the kickball tournament, and the CDC Olympics and Closing Ceremonies are on the horizon! Weeks six and seven will be an amazing opportunity for our talented campers to show off their skills and good sportsmanship.

## Camp Highlights

### WILLIAMS NATATORIUM

Swimming at the beautiful Natatorium is an amazing experience for all campers! Designed by architect Tod Williams and Billie Tsien & Associates, it can be described as a "breathing building", where water connects to the land and sky.

### OUTDOOR EXPLORATION

The lakes, ponds, and bogs around Cranbrook Campus are great places to explore nature. However, nothing holds a place in our campers' hearts quite like the "Friendship Tree." This massive weeping elm is 10 degrees cooler under the canopy compared to the temperature outside!

## Counselor Spotlight

### Asa

My name is Asa, and this is my first summer at the CDC. I chose Cranbrook Day Camp because of its excellent reputation among my family and friends. What I enjoy most about working here is being able to apply my skills to help the children grow and have a fun experience. Some of my hobbies include watching and playing football, and I particularly enjoy wakeboarding. During the school year, I am a History major at Indiana University, and I hope to also pursue studies in business.

### Riley

My name is Riley and I am a freshman at Bowling Green State University studying education and military science. I am excited to join the CDC team this year; everyone I have met has been extremely kind and welcoming! I chose the counselor position because I think that kids are really fun and fascinating. Their boundless, positive energy is enjoyable to be around and there is never a dull moment. When I'm not at work, I enjoy a variety of sports, athletics, and reading.

### Griffin

My name is Griffin, and this is my first year at the CDC. I chose the counselor position because I believe children are amazing. I enjoy their creativity, compassion, and sense of humor. Forming connections with my group has been really rewarding, and I am enjoying the experiences. I am currently a student at Cranbrook, and I hope to study business when I get to college. In my free time, I enjoy following the stock market and playing sports.

## CDC Drop Off

**Camper drop off begins at 8:45am.** Please remain in your car and our counselors will greet your camper and welcome them to camp. Anything that needs to make its way to the office can be handed to the counselor at that time. Please use the Boys Middle School entrance located off of Valley Way.

### The CDC Promise

We, the CDC Camp Staff, promise to provide our campers a fun and memorable experience that helps them grow into respectful and responsible young men. In doing so, we strive to provide all campers several opportunities to see integrity in action.

## Pertinent Information

## CDC Pick Up

Pick up takes place in the same place as drop off. We dismiss at 3pm and need your help to keep things moving smoothly. Please remain in your car and have your authorized pick up form in our staff's line of vision. This form can be found online inside the Document Center. For early dismissals, please contact the office ahead of time:

cranbrookdaycamp@cranbrook.edu  
(248) 645-3674 option 2

## Reminders

- Label all of your child's belongings!
- If your child forgets something at camp, have them look in the lost and found in the lobby of the Boys Middle School.
- Any medications brought to camp need to have an Authorization to Administer Medication (AAM) form with them. Please deliver forms and medication to the camp office or give it to a staff member at drop off
