Week  
Seven

The atmosphere at camp was pure energy and fun as the CDC Olympic closing ceremonies capped off week six. Week seven promises another exciting experience as we get geared up for the highly anticipated, totally terrific, fast paced, high-flying counselor basketball game. Will strategy, speed or skill win the game? The stakes are high and week seven is not to be missed!

## Counselor Spotlight

### Ryan

My name is Ryan, and I am excited to join the CDC Family this summer! Cranbrook Day Camp was recommended to me by my friends who attended this camp when they were children. So far, I am enjoying the experience, and I have found that guiding the campers through their day is challenging and fun. During the year, I study industrial engineering at Purdue University. In my free time, I enjoy playing basketball, chess, and video games.

### Phoebe

Hello, I'm Phoebe, and I'm thrilled to join the CDC as a science, nature and exploration instructor. The Cranbrook Campus is teeming with potential, and the campers are incredibly enthusiastic about delving into nature and doing fun science experiments. I'm currently a student at Berkeley High School, and I hope to pursue studies in English and Jazz after graduation. Outside of my studies, I love to indulge in writing, drawing, savoring delicious meals, and playing my bass guitar.

### Riley

My name is Riley, and I'm thrilled to be part of the CDC Family this summer! I discovered Cranbrook Day Camp through the recommendation of my friends, and I'm really enjoying the experience. Guiding the campers through their day is a lot of fun and brings back memories of being a kid again. During the year, I study community health at Indiana University, and I hope to become a physician's assistant one day. In my free time, I enjoy playing basketball, golf, and tennis.

## CDC Drop Off

**Camper drop off begins at 8:45am.** Please remain in your car and our counselors will greet your camper and welcome them to camp. Anything that needs to make its way to the office can be handed to the counselor at that time. Please use the Boys Middle School entrance located off of Valley Way.

### The CDC Promise

We, the CDC Camp Staff, promise to provide our campers a fun and memorable experience that helps them grow into respectful and responsible young men. In doing so, we strive to provide all campers several opportunities to see integrity in action.

## Pertinent Information

## CDC Pick Up

Pick up takes place in the same place as drop off. We dismiss at 3pm and need your help to keep things moving smoothly. Please remain in your car and have your authorized pick up form in our staff's line of vision. This form can be found online inside the Document Center.

**For early dismissals, please contact the office ahead of time:**

**cranbrookdaycamp@cranbrook.edu  
(248) 645-3674 option 2**

## Reminders

- Label all of your child's belongings!
- If your child forgets something at camp, have them look in the lost and found in the lobby of the Boys Middle School.
- Any medications brought to camp need to have an Authorization to Administer Medication (AAM) form with them. Please deliver forms and medication to the camp office or give it to a staff member at drop off
