

KINGSWOOD DAY CAMP 2024

WEEK
8

Dear Kingswood Day Camp Families,

Thank you for an absolute blast of a summer. We loved getting to know your campers and all of their unique and fun personalities. We hope they had as much fun as we did.

This summer went by so fast, and we are sad to see camp come to a close for the year, but we are looking forward to next year. This summer was truly one of the best, with all our new and returning campers and staff. The fun activities, friendships, and memories will last a lifetime. We hope you enjoy the last few weeks of summer before school starts, and we can't wait to see you again next summer!

MACY, SARAH, ANDRY, OLIVIA, AND KATIE

REMINDERS

If your camper has lost any items, they will be in the Special and Summer Programs Office at 21 Valley Way until the end of August. Any questions, please call (248) 645-3674 Option 9, Option 3

STAFF SPOT LIGHT

KATHERINE

Hi! I'm Katherine Or Katie, This was my first summer at Kingswood as the Office Administrator. I am currently a Junior at Oakland University, and I am studying Public Relations and Communications. I have worked with kids ages 0-13 since I was 15, and it is one of my passions in life even though my career path is taking me in a different direction.

I usually enjoy games, fun conversations, and good food with my family or friends in my free time, often going to Chicago, Petoskey, and Lexington Kentucky to see them, most recently I was at my sister's wedding in Bay View.

I was a summer camp-goer as a kid and some of my favorite memories are from the relationships I made with other campers and counselors, it was so amazing to see the campers build new relationships and continue with old ones this summer! your kiddos are all so unique and fun, I hope they have the best time this school year and continue to have so much fun in the summers to come!

ACTIVITIES

CANOE

For the last week of camp, the girls got to pick any activity they did during the 8 weeks here and did that. On the rainy days, we played games like Uno, Twister, and card games. I really enjoyed getting to hang out with all of the girls; they have made this summer one to remember.

DANCE

In the final week of camp, campers got an opportunity to choreograph their own routines as a group and show them off to friends and counselors. They did such a great job being creative while also being respectful to their friends, and I'm so proud of what they all came up with! We ended class with some camper favorite games. I am so impressed with all they accomplished this summer!

ACTIVITIES

ARCHERY

In the final week of archery we've had an archery competition, the campers have been excited, and very supportive of one another! It's been a great summer, here's to the next one!

TENNIS

This week we weren't able to do anything for tennis because I wasn't here. I also just wanted to thank you so much to the campers for making this summer a blast. You guys always made me look forward to coming to camp everyday and I truly can't thank you enough. I hope you have a spectacular school year coming up and I can't wait to see you all again next year.

ACTIVITIES

SPORTS

This week in sports at KDC, we finished up the camp with our fan favorite dodgeball. The campers are able to play against their friends in other groups at times! They always have a blast and we are sad to be coming to the end.

YOGA

This week campers played yoga freeze tag and animal charades. They had a lot of fun throughout the summer by making yoga dolls, building forts to escape out of, and creating compliments to hand out. I wish everyone the best of luck with their school year and hope to see them back next summer!

ACTIVITIES

MUSIC

Happy Week 8! This week in Music, we learned about musicals and wrote our own mini-musicals, whether we talked about character and solo songs or structure and jukebox musicals, all campers blew me away with their creativity and singing skills.

We've had so much fun in music this summer between learning about dynamics, having fun with our voices, making instruments, and a special treasure hunt! Thank you to all campers for sharing your musical talents with me, and have a great school year!

DRAMA

This week in drama campers learned about sound effects. Campers then created skits in pairs and made up sound effects for their performance.

We also played some fun improv games. This year campers performed lots of fun skits and scenes for each other. They learned about aspects of theater such as blocking, stage directions, projection, sound effects, and more.

ACTIVITIES

NATURE

This week in nature, we made moon dough and the campers LOVED it! It was a great way to end our camp season! Nature was filled with learning, games, experiments, and so much fun this summer! I will miss all of the girls and I hope everyone has a wonderful school year!

ART

This week in art, campers had the opportunity to make their own unique pins! Campers had so many creative ideas! I had so much fun seeing all of the projects that campers made this year. I hope everyone has a great rest of their summer!

SUMMER 2024 HIGHLIGHTS
