

# SUMMER ART STUDIO

## NEWSLETTER

Hello and welcome to Cranbrook's Summer Art Studio!

I'm so pleased to welcome you to an unforgettable summer full of fun, games, friendship, learning new skills, overcoming challenges, and of course, a lot of ART.

I, Chelsea, have been working this camp since 2010 and the reason I keep coming back is because of the good that comes out of every summer. My philosophy is that camp has been successful if you walk away having learned something new, made a friend, and felt a sense of belonging. The best part about all of it is that we get to do art the whole time we're here. The power of creating and creativity cannot be overstated. By putting an emphasis on it here at camp, we are preparing our campers with the tools and imagination to express themselves, solve problems creatively, get in touch with their emotions, and connect with the world around them. How cool is that?

And while the art may be why we are here it's not the only important thing to us. We understand the power of relationships and social interactions while here at Summer Art Studio. From team building, team games, and collaborative brainstorming, campers create deep and enriching relationships that last long after the camp season has ended and it is these campers that come back again and again because this isn't just an art camp, it's a family; this is where you find your people.

We invite you to read on to learn about the different subjects offered, theme days, gallery shows, an after camp enrichment for seniors called Artist Workshop, what PARROT is, and much more.

This summer is going to be amazing and we can't wait for your child to be a part of it.

Warmly,  
Miss Chelsea (director) and Miss Heather (assistant director)

## A DAY AT SUMMER ART STUDIO

While our subjects and themes change each week, we have a structured camp setting. We treat our days as if we are in an art school, dedicated to the exploration and experimentation that comes with creating while also incorporating the excitement of camp into each day.

Upon arrival, we gather into our groups and head off to Studio 1. After Studio 1, we have snack 1 where we encourage socialization and bonding and then proceed to Studio 2. After Studio 2, we have lunch and recess before jumping into Studio 3. Once that ends, we have snack 2 and a big camp gathering where we go over announcements, have our PARROT ceremony, and give the campers free time.

Although structured, we make time for spontaneous moments of fun and unbridled creativity. Sometimes class groups will go on nature walks, explore areas on campus, learn a new game with their group, and more.

## ARTIST WORKSHOP

For those interested in continuing their creative journeys, we are presenting our senior division with an exciting after camp opportunity: Artist Workshop! Artist Workshop is limited to ten seniors where they will have the opportunity to dive even deeper into a particular medium, technique, and hone their skills even more with additional insight and learning from one of our talented instructors. Artist Workshop is a great place to work on something they know well (or don't) in an encouraging and laid-back environment.

## P.A.R.R.O.T.

Picasso the Parrot is Summer Art Studio's mascot.

Part of our camp's culture is embodying qualities that help make camp fun, where we strive to be the best that we can be. Parrot stands for:

Polite  
Attentive  
Respectful  
Responsible  
Organized  
Teamwork

Each day, Summer Art Studio has an award ceremony where several campers are nominated to become Parrot based on how well they incorporate Parrot into their daily actions and choices. Out of those nominated, two campers are chosen, one from the junior division and one from the senior division, and they become PARROT!

We hope your child will join us in helping to be PARROT while spending time with us this summer. Be sure to ask your child about PARROT and what they are doing to make conscious choices towards being a PARROT.
