

Vol. 4

STEM Camp Newsletter

Summer 2025

Announcements:

STEM Campers swim every Friday! Please send swim gear on Friday mornings if your camper wants to swim.
Lost something? Ask your camper to check our lost and found or give us a call in the office.

This Week:

This Week's Theme: Get Techy!

Week # 4 Spectacular Scientists

Purple Parrots
Eleanor W.

Orange Iguanas
Rana N.

Blue Barracudas
Mark Z.

Green Monkeys
Damir M.

Red Jaguars
Gabe E.

This Week's Highlights:

The week 4 theme was Get Techy! Campers explored computer science, electronics, and 3D printing. They designed and produced candy molds using CAD software and silicone; then got to make chocolates out of their designs!

Looking Ahead:

The theme for **week 5** is *Dig It!* Campers will journey through time and unearth the mysteries of our planet! This week, campers will delve into archaeology, paleontology, and geology, uncovering ancient artifacts, dinosaur fossils, and the secrets of Earth's layers. Hands-on activities and exciting discoveries will ignite their curiosity about the past and the natural world. Join us for a thrilling adventure in science and history!

Staff Spotlight:

This week we spotlight the **Green Monkeys** team!

Aisha (Instructor) writes: "This is my second summer at STEM Camp, I'm most excited about the tech week! I am currently studying computer science at Michigan State University with a minor in business. My hobbies involve hanging out with my friends, reading, and playing Wordscapes."

Elliot (Counselor) writes: "This is my first summer at STEM Camp, and I'm super excited to work with everyone! I'm currently studying mechanical engineering at Michigan State University. In my free time I love to read and play video games with friends."

Jerome (Counselor) writes: "Hi guys, this will be my first summer at STEM camp, mostly I am excited about our marine week because I like learning about things in the water and being in water. I'm currently studying Criminal Justice with a minor in photography at Grand Valley State University. In my free time I love playing video games, listening to music and watching anime so feel free to talk to me about anything regarding those topics!"

Reminders, Location, and Contact:

Cranbrook is a nut-free campus.

Campers should bring a re-usable water bottle.

Camper should dress to participate in indoor and outdoor activities.

All medications must have proper documentation.

Valuable or collectible items should not be brought to camp.

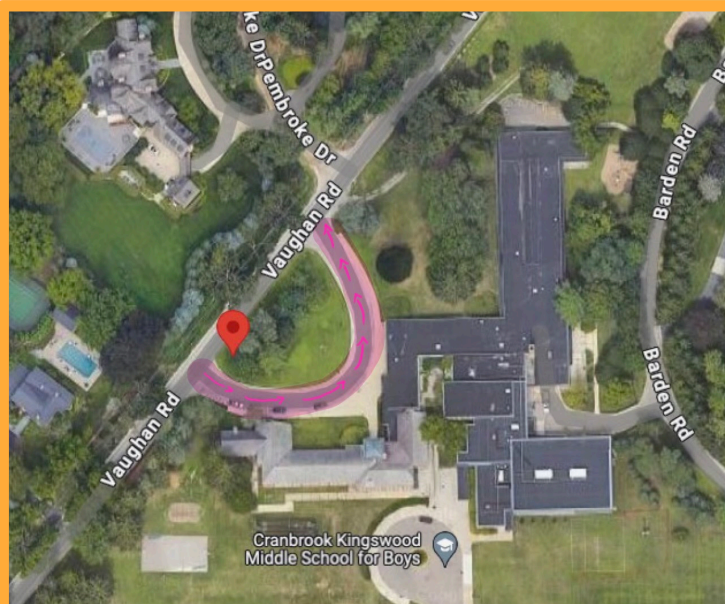

Anyone picking up your camper must have a pick-up authorization sign.

Swim Fridays

Campers who want to swim must bring swimsuit and towel.
