Looking Ahead:

Week 6: Bio Buzz

Campers join us to explore the world of living things from microscopic to macroscopic and everything in between!

Staff Spotlight:

This week we will meet the Green Monkeys staff!

Amber writes, "I am a Cranbrook alumna now studying art history and studio art at Concordia University, based in Montrael, Quebec. I like learning languages and about our environment and nature. I am a big bookworm. I love talking about books and movies!"

"Hello, I am **Ashley**! In the fall I will be a junior at Michigan State University. This is my first year at STEM and I'm excited to be here!"

"Hello! My name is **Aisha**! I am an upcoming junior at Michigan State University. I am studying Computer Science with a concentration in artificial intelligence/software. I like watching shows during my free time. My favorite food has to be chicken alfredo pasta. This is my first year at STEM camp. I love all the activities the kids are able to do and I am glad to showcase my engineering passion to the kids."
