

STEM Camp Newsletter

Vol. 6

Summer 2024

Announcements:

Swim Every Friday!

Lost and Found:

We have a pair of blue tennis shoes and a teal water bottle that were left earlier this summer. We also have a teal Detroit Tigers cap, a blue Lions cap and various other items. If these belong to your camper, give us a call or email us! Items left behind at the end of the camp season are kept at the SSP office and then donated.

This Week:

This Week's Theme: Bio Buzz

Week # 6 Spectacular Scientists

Purple Parrots
Sunny K.

Orange Iguanas
Bianca J.

Blue Barracudas
Elina K.

Green Monkeys
Aaron K.

Red Jaguars
Jingyi "Florence" W.

This Week's Highlights:

This week campers joined us to explore the world of living things from microscopic to macroscopic and everything in between!

Looking Ahead:

Week 7: Lights, Sounds, Science!

Campers explore the science behind lights and sound in this STEAM-filled week. We examine how cameras work, how light bends, and colors blend, and explore the science behind music and instruments.

Staff Spotlight:

This week we will meet the Red Jaguars Staff!

Hi, I'm Trent! I'm a third-year information technology and cybersecurity major at Illinois Institute of Technology. I love music, DND, video games, art, sci-fi, and fantasy movies. I'm a blacksmith and game developer. And most importantly, I have a passion for STEM and am excited to share it with others.

My name is Margot and I am a student at Lehigh University in Pennsylvania! I'm studying computer science and love all things STEM! I have been riding horses for over ten years and I love my dog, Riley! When I'm not inside coding, I love to be outdoors and exploring.

Margot

Trent

Reminders, Location, and Contact:

Cranbrook is a nut-free campus.

Campers should bring a re-usable water bottle.

Camper should dress to participate in indoor and outdoor activities.

All medications must have proper documentation

Valuable or collectible items should not be brought to camp.
