WHO WE ARE

YMCA OF GREATER SEATTLE'S MISSION STATEMENT

Building a community where all people, especially the young, are encouraged to develop their fullest potential in spirit, mind and body.

EQUITY STATEMENT

The Y actively promotes a culture free from bias and injustice. We are dedicated to removing institutional and systemic barriers that result in oppression and racism. We will be accountable to marginalized communities for creating equitable and sustainable environments where social justice is woven into every facet of our programs, and by caring for our communities in a culturally versatile and respectful manner.

YMCA CORE VALUES

The YMCA of Greater Seattle has identified the values of **respect, responsibility, honesty, caring, and passion for excellence** as essential in a child's character development. YMCA Camp Orkila programs incorporate these values into the overall camp experience each day. Our approach toward values formation is designed to reinforce the lessons that families strive to teach their children every day. Through staff and camper

role modeling and living together at camp, campers depart from YMCA Camp Orkila with a better understanding and recognition of these character traits in themselves and in others:

- **Respect:** Following the golden rule by treating yourself and others with dignity
- **Responsibility:** Accepting accountability for your actions and role in the community
- **Honesty:** Being trustworthy and truthful
- **Caring:** Considering the needs and feelings of others
- **Passion for Excellence:** Striving to be and do your best

VALUES SESSIONS

Every day, generally in the evening, cabin groups will gather for a short discussion and sharing time. It's a great way to create bonds among campers and let everyone's voice be heard. Staff will choose age-appropriate topics, such as "who inspires you," to help guide the discussion.

VALUES AWARDS

Values Awards are given to campers who, through words or actions, demonstrate the core values in their camp community. At the end of their session, campers select fellow campers within their cabin who best exemplify each value, and we recognize award recipients each fall.

ESPECIALLY FOR FIRST TIME CAMPERS

Congratulations on choosing an experience that might make both you and your camper excited and maybe a little nervous!

Preparing campers for overnight camp can help them more easily cope with being away from home. It is very normal for symptoms of homesickness to occur over the first few days of camp – often during rest period and/or lights out. Most often with a few conversations with counselors and the security of new friends and activities, the homesickness dissipates. If the leadership team believes that homesickness has reached a point where the experience is no longer beneficial to the participant, or is negatively impacting the experience of others, we have the right to tell caregivers that they must pick up their camper(s).

Here are some tips to help prepare your child for camp and the possibility of homesickness:

PRIOR TO CAMP:

- “Live out of a suitcase” for a few days, and practice carrying it once it’s packed
- Practice taking a shower instead of a bath and washing one’s hair
- Mark a calendar with days until camp starts- HOORAY!!!
- Give gentle encouragement that missing home is “ok”
- Don’t make a “pick-up promise” that you’ll come get them if they are having a hard time (of course this option will be available to you if they don’t get past their homesickness, but it’s best to just offer encouragement prior to camp)
- Practice electronics-free time because there are no electronics at camp

DURING CAMP:

- When writing letters to your child, ask about camp activities, counselors, specific programs, etc. – words of encouragement go a long way
- Avoid using phrases such as “we miss you,” “wish you were here,” or detailed accounts of what the family is doing
- Pack “surprises” or notes of encouragement amongst your camper’s belongings (no food items please)
- Express your confidence in their ability to be away from home and that the counselors are there to assist them if they should need anything

IS MY CHILD READY FOR OVERNIGHT CAMP?

In order to ensure your camper is ready for such an experience, you should be able to answer “yes” to these questions:

1. Does my child consistently identify when they need to use the restroom?
2. Has my child successfully spent at least one night away from home?
3. Is my child willing to eat a variety of foods?
4. Can my child take a shower by themselves?
5. Does my child effectively manage their own behavior around other children?

If the answer to any of these questions is “no,” please contact the Camping & Outdoor Leadership Office - campinfo@seattlemca.org - to discuss your child’s experience.

COMMUNICATION

VISITING CAMP ORKILA

Outside of check-in and pick-up, we ask that families DO NOT visit their camper while camp is in session at Camp Orkila.

SEND MAIL TO YOUR CAMPER

Please allow enough time for the mail to reach your camper before the end of their session. **Please do not send any food to campers.** Food in cabins invites unwelcome visitors (animals!). Additionally, we do not serve nuts at camp. Any food or candy containing nuts or processed in a facility with nuts will be disposed of by a staff member.

Ideas for things to send to your camper include: books, games, cards, address books, small drawing pads, small stuffed animals, and/or items to share with a group.

PACKAGES & MAIL MAY BE SENT TO

for USPS:

for FedEx/UPS:

Please be aware, the Orcas Island Post Office is closed on the weekends so there is **NO WEEKEND MAIL DELIVERY.** The last day campers receive mail will be on the day prior to their program end date.

Any packages received after your camper's session has ended will be returned at the sender's expense.

SEND CAMPERS EMAIL & VIEW PHOTOS

Through your online account in UltraCamp, you may send one-way emails to your camper. Campers will not have access to computers to reply. In an effort to reduce our environmental impact, we will print out emails two times for each week-long

session. Our goal is to conserve resources, if your message is too long we may not be able to print the entire message. We will also have a mailbox available at our check-in locations if you would like to drop a standard letter, greeting card or postcard to be delivered to your camper on the first full day of their camp session.

Our Media Team will post photos throughout the week for you to view on our password protected photo site, SmugMug. This information is distributed via email a few days prior to your camper's session, and is also available at check-in locations. While our media team does its best to capture pictures of as many campers as possible, please know that it is completely normal to not see pictures of your camper right away.

CAMPER PHONE USE

The camp experience is a way to develop a greater sense of independence. Therefore, no phone is available for campers* to routinely make or receive calls. However, should your child need to call home, a director will arrange a time and, together with the camper, they will make the call home. Electronics are NOT allowed and will be confiscated and returned at the end of the session (see packing list for specifics).

*CITs are the exception and are allowed to bring their phones to camp. They will have limited access to their phones, and will not be permitted to use their phones in front of other participants, turning them in to staff when not in use.

CAREGIVER COMMUNICATION

Staff are trained to handle day-to-day situations that might arise during your camper's visit to Camp Orkila in a safe and caring manner. Instances when you might expect to hear from camp staff for consultations or to arrange to pick up your

camper may include:

- Medical care outside basic first aid, including fractures and sprains
- Emergencies and evacuations (see above)
- Severe homesickness
- Illness, including vomiting or respiratory symptoms coupled with a fever above 100 degrees
- Behavioral issues, including bullying or verbal or physical aggression
- Nits or head lice
- If there are any signs or symptoms of COVID-19

We will attempt to contact the family starting with the primary contact, then the emergency contact persons, in that order.

CONTACTING YOUR CAMPER IN AN EMERGENCY

Should you need to contact your camper under emergency circumstances, please do so through the Camp Orkila office at (360) 376-2678. For after-hours emergencies, call the Director-on-Duty at (360) 317-6852. A director will contact you and offer their assistance as to the best way to be in contact with your child. Other contact numbers are on the back page of this Summer Programs Handbook.

EMERGENCY PROCEDURES

At Camp Orkila, the safety of participants is our highest concern. Programs always involve risk. The most important thing we can do is focused training to mitigate risk in our programs and to be certain our staff follow our safety policies and practices. In addition, we have communication systems that provide support for staff. Program policies have been reviewed and accepted for accreditation by the American Camp Association.

For our offsite programs, part of our safety system is our communication with staff while they are in the field. Kayaking programs contact camp by radio or phone each morning and evening as well as when they get on and off the water. During each session, we have a medical team on site and available by radio. In the event there is an emergency, we have developed a comprehensive response system. If a teen is injured, staff are the first to provide emergency care. Staff will provide initial medical care to the level of their training and, if necessary, contact camp, or emergency services for additional care.

EVACUATION PROCEDURES

In the unlikely event that the YMCA decides to evacuate Camp Orkila, the person we make contact with will be given further instructions on how the evacuation will proceed. For this reason, it is truly important that we have accurate contact information for caregivers and emergency contacts during your child's camp experience.

Based on the type of emergency, the YMCA will make a decision on the most prudent way to return campers safely home. Such an emergency may require parents/guardians or emergency contacts to pick up their child at camp. If the need arises, general information regarding evacuation will be listed on the website at camporkila.org.

HEALTH & SAFETY

IMPORTANT!

The health and safety of your child is our primary concern. To ensure our camp health care providers have the information necessary in advance, the Camp Care Info Packet must be returned to the YMCA Camping & Outdoor Leadership office upon receipt, or immediately upon registration if registering after that point. **Staff cannot accept health forms at Check-In.** It is the parent or guardian's responsibility to provide accident and health insurance. The YMCA does not provide any coverage for members or participants.

CAMP HYGIENE STANDARDS

Cleanliness is a key component to keeping campers healthy. Campers will be encouraged to wash their hands prior to every meal. Your pre-camp support of this concept is appreciated.

Bathrooms are inspected and sanitized frequently by members of our facilities staff. Directors will check cabins for neatness regularly. To model responsibility for the care of camp, counselors are active participants in helping with these tasks.

HEAD LICE

Head lice can become an issue anytime you gather children together at school, day care, or camp. It is not indicative of uncleanliness and anyone can get them. Because lice are easily transmitted and require several steps to eliminate, we cannot keep children at camp who are found to have nits or head lice.

To help ensure that all campers have a positive experience at camp, **it is your responsibility to check your camper for head lice before camp begins.** If nits or head lice are found, you must do a thorough treatment of the hair and all personal belongings to remove all nits and lice before camper arrives at check-in. Information on treatment can be found online or via the health department.

We intend to inspect each camper's hair at all of our check-in locations. If any nits or lice are found, we will be unable to allow your camper to check in. Based on session availability, we will be happy to move your camper to another session but will not issue a refund.

If nits or lice appear during your camper's week at camp they will not be able to complete their session, and you will need an authorized pick-up person available to pick them up at Camp Orkila. Again, we will move them to another session based on availability.

Thank you for helping us keep all kids healthy.

COMMUNICABLE DISEASES, FRACTURES & STITCHES

Participants with communicable diseases will not be allowed to attend camp until they are free of the disease, 24 hours without a fever without using fever reducing medication, or no longer contagious, as determined by a doctor. Campers with fractures or stitches must have written permission from their physician to attend camp.

IMMUNIZATIONS

To reduce the risk of our staff sharing germs, we strongly encourage all staff working in overnight camping programs to have MMR, Varicella, TDap, and Covid-19 vaccinations and boosters when available. We do not currently require campers to have these vaccinations, but being up to date on these will help your child stay healthy when they are at camp. To learn more about recommended vaccination schedules for youth, visit <http://www.doh.wa.gov/YouandYourFamily/Immunization/PreteensandTeens>. Washington immunization records can be accessed at www.wa.myir.net.

MENTAL, EMOTIONAL, SOCIAL HEALTH, WELLNESS & SAFETY

Staff are trained to support the mental, emotional, and social health and safety of participants, and there are some resources at camp available to participants to support their mental, emotional, and social health. If staff become concerned about a participant's mental, emotional, or social health, staff may contact parents or guardians for additional support and may request that they come early and pick up their child from camp. Our goal is for every camper to have a successful experience at camp, and we can best support campers when we have information about their needs. If there are concerns about a camper's success at camp please contact our Admissions Office prior to their session.

MEDICATIONS

PREPARING MEDICATION

All participant medication, supplements, or vitamins, prescribed or over the counter, must be reported on the Camp Care Info packet. Please bring enough medication to last the entire length of your camp stay. **All medications, supplements, and vitamins must be in the original packaging/bottle, and unexpired.** Additionally, prescription medication must include labeling that identifies the prescribing physician, the name of the medication, the dosage, and the frequency of dispensation. Prescription medications must be in the participant's name. **No loose pills/ vitamins in zip close plastic bags.**

All medications must be turned in to staff at check-in, where it will be given to the healthcare team at camp. **Please provide a cooler or insulated bag for any medications requiring refrigeration until arrival at camp.** Participants are not allowed to self-administer medicine. The exception being emergency medication, such as inhalers or epi-pens where campers must carry on their person, and are able to self-administer.

The Camp Orkila health center has over the counter medication, such as Tylenol, ibuprofen, Benadryl, Dramamine, cough medicine, and decongestents. Please DO NOT send these items with your child to camp. Indicate your approval to dispense these medications (full list) in the Camp Care Info packet.

A completed Medication Information Form which will arrive with your transportation letter two weeks prior to the start of your session must accompany all medication and/or vitamins being sent to camp. Directions on the container label must match your written directions on the medication form. Place the completed form with medications **in their original containers** in a plastic bag and turn them in at the check-in table. **No loose pills will be accepted.**

“MEDICAL HOLIDAYS”

We strongly discourage parents/guardians whose children who are on medication throughout the year from putting them on “medical holiday” while they are at camp. It is not always in the child's best interest to take time off from their medication. We will be as accommodating as possible with your physician's recommendation.

TRAVEL DAY MEDICATION

If your camper will require medication during their travel to camp, please complete the En-Route Medication Form at check-in.

ILLNESS & ACCIDENTS

During each camp session, Camp Orkila has a medical team, generally consisting of nurses, Physician Assistants, Nurse Practitioners and/or Doctors living on-site that is available by phone or radio. They hold sick-call daily, and are available 24 hours a day for emergencies. They, an Orcas Island Emergency Medical Technician, or the Orcas Island Medical Clinic handle in-camp situations. Additionally, all staff are trained and certified in CPR and First Aid.

A designated emergency vehicle is on site at all times. Camp Orkila is accredited by the American Camp Association and adheres to its high quality standards. If medical treatment beyond first aid is required, staff will make every effort to contact the family.

Our camp's health center has a limited capacity to keep campers in extended isolation. In our experience, campers with medical illnesses feel more comfortable recuperating at home. In such situations, the camp staff may contact the primary contact, then the emergency contact and request that they come early and pick up their child from camp. Camp's policy is that caregivers are responsible for transporting sick campers home.

We will update our website with additional information regarding policies, practices and procedures aimed at preventing the spread of COVID-19.

COMMUNITY & BEHAVIOR EXPECTATIONS

At the YMCA of Greater Seattle, we are committed to becoming an anti-racist and inclusive gathering space where people of all colors, religions, genders, and backgrounds are welcomed and have the opportunity to succeed, be healthy, and thrive. That means closely examining what we do – our systems, hiring practices, partners, contracting, and programs – to ensure we are learning, adapting, and doing all that we can to build a more equitable, healthy, and just community.

The Y believes in the unique potential of every young person. We strive to provide support to ensure all youth are successful in our programs. From the moment participants arrive, staff work to build an inclusive space with clear expectations. Additionally, we partner with parents and guardians on strategies for working with participant's individual behaviors. Should behavioral

support be needed, staff will make every effort to call the family starting with the primary contact, then the emergency contact.

We know that certain behaviors can cause lasting harm. We do not tolerate bullying: aggressive behavior that is intentional, is repeated over time, and involves an imbalance of power or strength, and bigotry: making derogatory comments, including making fun of the individual or their family's national origin, religion, sexuality, ethnicity, disabilities, sexual orientation, gender; threatening bodily harm to the individual or individual's family/friends.

Staff make every effort to ensure each participant has a positive experience. The Y strongly believes that youth programs are an exciting, safe community for youth to explore, build confidence, develop skills, and make lasting friendships and memories so they can grow as individuals and leaders. It's a place where participants can discover who they are and what they can achieve. We strive to help each person develop positive self-esteem while fostering self-direction.

Our Y staff work with each participant to support their development in self-management and self-direction. Some examples are:

- Consistent rules are clearly stated.
- Participants are expected to work and play within known limits.
- Behavior expected of participants is age appropriate and based on development level.
- An atmosphere of trust is established in order for participants to know that they will not be hurt nor allowed to hurt others.
- Participants become acquainted with themselves and their feelings to help them learn to cope with their feelings and control them responsibly.

GENERAL BEHAVIOR EXPECTATIONS

- No put-downs...no one needs them.
- Be honest with yourself and others.
- Speak for yourself...not for anyone else.
- Listen to others...they will then listen to you.
- Show respect...every person is important.

- Take responsibility for your actions, you are responsible for you.

UNACCEPTABLE BEHAVIOR

- Refusing to follow the behavior guidelines or program and safety rules.
- Using profanity, vulgarity, or obscenity.
- Stealing or damaging property (personal, Y, rental, and public property)
Note: Damage done by a participant to these properties could result in financial responsibility and invoice assessed to the participant's family.
- Refusing to participate in activities or cooperate with staff resulting in disruption of the program for others.
- Running away from the group or designated areas.
- Endangering the health and safety of participants and/or staff.
- Engaging in physical violence, bullying/teasing, or sexual misconduct or abuse toward another child or staff.
- The use of exclusionary language or slurs.
- Public or inappropriate displays of affection.
- Use or possession of drugs/alcohol.

WHEN BEHAVIOR RULES ARE BROKEN

Y staff facilitates the development of self-control by using positive guidance techniques such as modeling, encouraging expected behavior, redirecting participants to a more acceptable activity, or setting clear limits. Staff respect each participant's developing capabilities.

PROGRESSIVE DISCIPLINE PROCEDURES

When a participant does not follow the behavior guidelines, Y staff take the following action steps:

- **Step 1:** The Y uses positive guidance methods including reminders, distraction, logical consequences, and redirection.
- **Step 2:** If inappropriate behavior

continues, the participant is reminded of behavior guidelines and program rules. The staff member and the participant decide on action steps to correct their behavior. Staff documents the situation, the inappropriate behavior, and action taken. Parent/guardian(s) are notified.

- **Step 3:** If the situation is not resolved and inappropriate behavior continues, staff will schedule time with the participant and their family to develop an action plan for success.
- **Step 4:** If after working through steps 1–3 the participant is still struggling to meet expectations, staff will work to identify different program types, a different cohort, or a modified attendance schedule to support the participant, and their family.

If needed, the Y reserves the right skip any of these steps and/or to suspend or remove the participant from the program. Parents or guardians may be notified to pick up their participant at their own expense. Travel arrangements will always be made in advance with the parent or guardian. Program fees will be forfeited. In the case of a serious incident, the participants involved will not be invited back for future experiences.

The Y believes in the unique potential of every young person. We strive to provide support to ensure all participants are successful in our programs. To limit instances of bias and to respond in a way which aligns with our organizational values, Camping & Outdoor Leadership is focused on implementing trauma-informed, restorative justice practices into the curriculum, daily routine, and culture. Our staff teams are trained to add social and emotional learning aspects into all programs, create community, and facilitate conflict resolution. These practices are introduced to and practiced by participants throughout their experience through intentional community building activities like teambuilding and values sessions. We are committed to building strong communities within

our programs and assisting participants in dealing with conflict in a healthy and productive manner. We aim to address the root of behavioral issues and conflicts by finding solutions which use restorative practices as the foundation for overcoming conflict and addressing bias.

STATEMENT FOR PREVENTION OF ABUSE

A principal endeavor of the Y is to provide a healthy atmosphere for the growth and development of youth and children. Thus, the mistreatment or neglect of youth or children and the resulting severe effects are of primary concern to the Y. Child abuse is mistreatment or neglect of a child by parents, another child, or others, resulting in injury or harm. Abuse can lead to severe emotional, physical, and behavioral problems. Because of its concern for the welfare of children and youth, the Y has developed policies, standards, guidelines, and training to aid in the detection and prevention of child abuse. In addition, all employees are screened, and background checks are conducted upon hiring or rehiring.

Additionally, employees who have contact with children and youth receive training in recognizing, reporting, and preventing child abuse, which includes training in recognizing signs that a child is being groomed for abuse. Some of the guidelines employees are expected to follow are:

- Avoid being alone with a single child where you cannot be observed by other staff or adults
- You may not relate to children who participate in Y programs outside of approved Y activities. For example, baby-sitting, weekend trips, foster care, etc. are not permitted. An exception must be approved in advance in consultation with our Risk Management department.

- Giving personal gifts to program participants or their parents is not allowed
- Program rules and boundaries must be followed, including appropriate touch guidelines
- Children or youth should not be singled out for favored attention
- Dating a program participant under age 18 is not allowed. Some Y programs may have additional restrictions.
- Children may not be disciplined by use of physical punishment or by failing to provide the necessities of care.
- Verbally, physically, sexually, or emotionally abusing or punishing children or youth is not allowed.
- Children may be informed in a timely manner that is age appropriate to the group of their right to set their own "touching" limits for personal safety.
- Children should only be released to authorized persons in programs with controlled pick-up procedures.
- Any information regarding abuse or potential abuse should be documented in writing.
- At the first reasonable cause to believe that any abuse of a child by a Y employee or volunteer, even if it was not during working hours, should be reported to the Y by calling (206) 749-7590 or emailing safekids@seattlemca.org. Additionally, it is the Y's protocol to make a report to the appropriate authorities. Appropriate actions will be taken regarding the employee or volunteer, including suspension or termination from Y employment or volunteer status.
- Confidentiality of information related to child abuse is crucial and should be limited to the immediate supervisor, District Executive, and designated members of the Y Association Office.

The Y uses an online resource for families entitled [Protect Your Child From Abuse](#).

CHILD SAFETY

As a partner in your child's success, the YMCA of Greater Seattle is committed to providing a safe

environment for all participants and staff. We work hard to create an environment that is both physically and emotionally safe for children. If at any time throughout the summer you are concerned about the physical or emotional health of your child, please do not hesitate to speak to a staff member.

PERSONAL SAFETY TALKS

As part of our program, staff engages in discussions designed to increase children's understanding of touching and personal space limits. Y staff will model the use of correct words for body parts and functions, and respond to conversations and questions in age appropriate ways.

CHILD ABUSE REPORTING

Y staff are required to report immediately to Child Protective Services (CPS Intake), licensor, or police any instance when there is reason to suspect the occurrence of physical, sexual, or emotional abuse, child neglect, or exploitation. We may NOT notify parents if this occurs except upon the recommendation of Child Protective Services or the police.

GENDER IDENTITY

PRONOUNS/NAMES

Everyone has the right to be addressed by the name and pronouns with which they identify. Inadvertent slips or unintentional honest mistakes in the use of names or pronouns might occur. The Y does not condone the intentional and persistent refusal to respect a person's gender identity, pronouns or name. Staff may talk to participants of all ages about pronouns using age-appropriate language to ensure that all campers, staff, and volunteers are respected.

FACILITY ACCESSIBILITY

RESTROOMS

Camp Orkila has several different configurations of restrooms. Most campers

will have access to all-gender bathrooms near their cabins which contain sinks, individual stalled showers, private changing areas, and toilets. In addition to the all-gender bathrooms, camp has multiple single-user toilets.

GENDERED SPACES

At Camp Orkila, gendered spaces (overnight accommodations and may include some restrooms) are differentiated as 'male' and 'female'. In the case of a gendered space, individuals may select the facility that best fits their gender identity or comfortability. Sex assigned at birth, physical genitalia or presentation will not dictate use of gendered space. Cabin assignments in gendered traditional and specialty camps will be made based on gender identity. In the case of non-binary gender identity, participants will be asked to select a cabin in which they will feel most comfortable for that session. For teen expedition & leadership programs and all gender traditional or specialty camps, participants will live in all gender accommodations. We will seek to make facility accommodations, whenever possible, to meet the given needs of individual participants. For example, individuals who have a need or desire for increased privacy will be provided access to an alternative restroom or area to shower or change in privacy whenever possible. The gender identities of cabin staff and volunteers may not be the same as gender identities of participants in the cabin (for example, a female identified staff member may work and live with campers in a male cabin). We have and continue to build all gender facilities at camp.

OUR STAFF

Staff are the heart of our programs. Recruiting, selecting, training, and supporting staff are essential to positive youth development. All program staff who run camp activities have individual areas of expertise to share with campers. Cabin counselors are selected for their experience working with children, judgment, maturity, and caring attitude.

We recruit staff who serve as role models for campers by demonstrating strong leadership skills that reflect the mission, commitment to equity and justice, and the core values of the YMCA of Greater Seattle. Through role modeling and by creating challenges that foster individual and group development, we provide campers with the opportunity to leave camp with a better understanding in the values of respect, responsibility, honesty, caring, and a passion for excellence.

Staff must complete the application and interview process as outlined by the YMCA of Greater Seattle. Staff must have current First Aid and CPR certifications and pass a national background check. An instructor on expedition courses has a wilderness first aid certification or higher.

Interviews are conducted with at least three references. Cabin counselors generally complete eight days of training, and directors and trip leaders complete an eight-day director's training in addition to all-staff training. Training topics include: cultural humility and restorative justice, child behavior support, age-appropriate programming, emergency procedures, bullying & child abuse prevention, and health and safety management.

VOLUNTEERS

As part of the daily program, camp has volunteers or guests on-site to share their special talents and enhance the value of the campers' experiences. Examples of this might include doctors and nurses, boat drivers, media team members. Volunteers must pass a background check and take child abuse prevention training.

TALK BOX

If your camper is having a problem at camp and having difficulty finding the right person for help, they can write a confidential message and place it in one of the locked talk-boxes. The message will go directly to staff who will follow up as needed.

A detailed report of your camper's store expenses can also be viewed from your online account.

ACCOMMODATIONS & MEALS

CABINS

Our youngest campers generally stay in the Wally Fisher Lodge, which is enclosed, heated, and has electricity and in-house bathroom facilities.

Older campers stay in cabins or platform tents, which feature doors and screened windows but no electricity. Single-gender bathrooms and showers are in separate buildings a short walk away.

CABIN GROUPS

Campers are placed in cabins of others within the same program and similar age or developmental stage, with a typical ratio of 10 campers and 2-3 staff. Counselors live in the cabin with campers and manage the daily living of the group. They act as a guide, role model, and mentor. We work hard to make sure there is a variety of camp experience, talents and geography represented in each cabin group. The gender identities of cabin staff and volunteers may not be the same as gender identities of campers in the cabin. Refer to "gendered spaces" on page 12 for more details of how programs are cabinized.

FRIEND REQUESTS

If your camper has a friend attending the same session, we ask that you limit the number of cabin mate requests to 1 to help ensure that camp is a welcoming place where

every camper feels included and can make new friends. Please note: this must be a mutual request to be honored. If a request is made to place campers of greater age spans together in a cabin, the older camper will be placed in the younger cabin.

MEALS

Camp serves nutritious, well-balanced meals, and can accommodate most dietary needs and restrictions, which we ask you to notate on the Camp Care Info packet. Vegetarian, vegan, gluten-free, and dairy-free options are available at every meal for participants. Healthy snacks consisting of fruit and another item are served in the afternoon. Water consumption is encouraged throughout the day.

ACTIVITIES & SCHEDULES

The YMCA of Greater Seattle is committed to providing developmentally and culturally appropriate programming that respect, reflect, and support children and families and cultivate an understanding among children and staff.

Y youth programs stimulate a child's physical, social, intellectual, and emotional development. Using small group experiences that are developmentally appropriate, children will:

- Develop physically, emotionally, and socially through a variety of safe, developmentally appropriate, and challenging experiences
- Expand awareness and appreciation for the world around them
- Learn and display the five core values of the Y: Caring, Honesty, Respect, Responsibility, and a Passion for Excellence
- Increase appreciation for their own family, friends, and surrounding community

Within each group's schedule we offer a variety of age-appropriate activities, corresponding to each individual program. For example, younger campers often participate in the Giant Swing, while our older campers may participate in the Zipline. Due to the size of camp, and the number of activities we

offer, campers will not have the opportunity to participate in all programs at camp. Additionally, programming may change each week due to a variety of circumstances. Some aquatic activities require a swim check that will be administered within the first two days of programming. Below are some examples of activities common at camp:

Arts and Science: Marine Center, Arts and Crafts, Beach Walk, Campfires, and Talent Shows.

Aquatic and Sports: Pool Time, Dock Jump, Boating, Archery, Field Games, and Basketball.

Challenge Course and Teambuilding: Zipline, Climbing Wall, Giant Swing, High Ropes Courses, and Low Ropes Courses.

Offsite Exploration: Overnight Trips to Satellite Island, hiking or backpacking to Twin Lakes or "Enchanted Forest," and specialty camp field trips.

Reflection and Choice: Cabin Time, Values Sessions, Group Discussions, and Open Recreation

Teen Leadership programs will also have specific leadership programming including workshops/trainings, working with younger campers, and community service.

CAMPSITES

While on expedition trips, groups stay at developed campsites using advance reservations whenever possible. Most camp sites that kayaking trips stay at can only be accessed by foot or boat.

MEALS

On trips, teens prepare healthy, well-balanced, and nutritious meals over camp stoves. Staff teach each teen to use the stove safely and to assist with cooking meals for the group.

SLEEPING ARRANGEMENTS

While at Camp Orkila, teens sleep in all gender cabins in Tracy Strong Village. While on expedition, teens sleep under A-frame tarps, and staff sleep under a separate tarp close by.

SHOWERS

When out on trips, showers are not available. Teens will have an opportunity to rinse via dipping in the Salish Sea, and can shower on-site at camp before and after the experience.

LAUNDRY FACILITIES

Laundry service is not available to teens on expedition trips (including single or multi-week courses and/or consecutive trips) due to the remote nature of the campsites.

STORAGE

While on trips, teens can leave some personal items stored in a locked storage area at

camp. Space is limited, so please bring only necessary items.

SWIM CHECK & SEA KAYAK WET EXITS

All teens who participate in an overnight kayaking experience are required to complete a basic swim check (swimming one length of the pool without stopping and treading water for 30 seconds), and a wet exit that requires a team of two to flip, exit and re-enter a double kayak. Teens receive full training prior to the drill to ensure success. It is required of all participants before teens can participate in overnight kayak trips.

REST DAYS

Teens on longer courses are able to rest up from the rigorous adventure activities, prepare for the next leg of the trip, or wait out inclement weather conditions. These days are spent taking day hikes, visiting local museums, playing organized games, or learning to cook over camp stoves.

PERMITS

The YMCA of Greater Seattle and Camp Orkila are permit holders for the areas in which we will travel. All groups operate within the rules of the permits.

KAYAKING PROGRAMS

GENERAL PACKING LIST

All participants are responsible for bringing the items on the following list with them to camp. Please take time to confirm that every item is actually going into their pack before leaving home. The quality of equipment can have an enormous impact on the health and happiness of participants. When selecting equipment, size and weight can be important.*

*Orkila can provide many of these items; please call with any questions.

PACKING

Since participants will be carrying their own equipment as well as a portion of the group's food and gear, choose personal gear that is lightweight, warm and easily packed. All items should be packed in a duffel bag or backpack.

CLOTHING

Synthetics and wool are warmer, more comfortable, and **highly recommended**. Cotton clothing holds water, dries slowly, and **will not** provide insulation when wet.

FOOTWEAR

Participants should bring shoes or sports sandals (Tevas, sandals, Crocs, water shoes,

Chacos, or lightweight sneakers). These shoes will be worn while swimming and in boats, so they need to be securely fastened with a heel strap. **NO FLIP FLOPS!**

SLEEPING BAGS

A quality sleeping bag is extremely important for comfort on trips. Small, warm, lightweight bags are essential because participants will carry their bags for the duration of the trip. A nylon-shelled synthetic sleeping bag, with a stuff sack, is preferred. **Do not bring cotton or down sleeping bags.** Once wet, they tend to stay wet.

GROUP GEAR & EQUIPMENT

Camp Orkila provides kayaks (primarily Northwest SeaScape 2 double kayaks), paddles, tarps, stoves, cooking and eating utensils, and dry bags.

GEAR CHECK

Our instructors will help check all participant gear. They may ask participants not to bring something that they've packed or provide an alternative to what was brought. This is done for efficiency, to minimize pack weight, and to ensure that everyone has the appropriate gear. Anything we ask to be left behind will be stored securely.

GETTING TO CAMP

THREE WAYS TO GET TO CAMP

For your convenience, Camp Orkila provides three transportation options to and from camp (you may mix and match to meet your personal transportation needs):

1. CHARTER BUS FROM SHORELINE

Transportation to/from Shoreline on tour buses that are equipped with air conditioning and bathrooms. *This is the only Seattle-based transportation.* (\$65 charge each way)

2. ANACORTES CHECK-IN

You may check in your camper at the Anacortes ferry landing. Accompanied by staff, the group will walk-on to the ferry and be met by the Camp Orkila bus at the Orcas ferry landing. Campers must be able to manage their own luggage on and off the ferry. (\$25 charge each way)

3. CAMP CHECK-IN

Parents may choose to drive their camper directly to Camp Orkila. Refer to the Washington State Ferry website for drive-on fees and schedules.

Based on your choice, we assign your camper to a bus or expect you to drive your camper directly to Camp Orkila or the Anacortes ferry landing.

We ask that you do not change your transportation arrangements after making a choice, as we reserve buses based on your registration information and the transportation fees. Last minute changes may not be accommodated.

FERRY RESERVATIONS

Personal vehicle reservations for travel to and from the San Juan Islands are available online at www.wsdot.com/ferries or by calling (888) 808-7977 between 4am and 8:30pm, 7 days a week. If you are planning to drive to camp **we strongly encourage you to make reservations.**

A NOTE ABOUT FERRIES

On the Anacortes/San Juan Islands routes during normal operations, 75% of the space on each vessel is available to reserve, and the remaining 25% of vehicle deck space is held open for emergency and stand-by vehicles. Additional stand-by space may also be available due to no shows. In the event of a service disruption, new reservations may be unavailable, and existing reservation holders will be prioritized over stand-by traffic.

Space is released according to the following schedule:

2 MONTHS before the season start date at 10:00 a.m. PST:

- 25% of standard vehicle reservation space is released
- All 75% of tall, non-standard vehicle space is released

2 WEEKS before each sailing date at 7:00 a.m. PST:

- Additional 25% of all standard vehicle space is released

2 DAYS before each sailing date at 7:00 a.m. PST

- Final 25% of standard vehicle space is released

PLEASE BRING A LUNCH!

Campers taking the bus to camp, or being dropped off at Anacortes, will need to have a sack lunch to eat on the ferry. **PLEASE NO glass OR nut products.** Campers will not be allowed to purchase food on the ferry. Lunches will be provided by camp for the return trip.
