

# Sound View Camp And Retreat Center

## Scholarship Information

Sound View Scholarship Funds are available to low-income youth, adults or families wanting to attend our camps or conferences. We believe that the opportunity to attend Sound View's Summer Camps and Mid-Year Conferences should not be restricted by one's ability to pay. To help ensure that we can send as many campers as possible to attend Sound View events please limit one scholarship application per camper.

### Criteria for receiving a Sound View Camp Scholarship:

1. An expressed desire to attend one of Sound View's Events.
2. Parental Permission if under the age of 18.
3. Demonstrated Financial Need
4. Completed Registration Form for event OR on-line account set-up. If using the on-line registration process, call Sound View after you have set up your account and before registering for your session.
5. Completed and Submitted Sound View Camp Scholarship Application Form.

Every effort will be made to award scholarships according to the above criteria. If you attend a church, please have your pastor or other designated person in your church review and sign your application, before submitting to Sound View Camp.
