

WELCOME TO SOUND VIEW! WE HOPE THAT YOU WILL ENJOY YOUR STAY! HERE ARE THE ANSWERS TO SOME FREQUENTLY ASKED QUESTIONS, AND SOME POINTERS FOR FUN THINGS TO DO IF YOU HAVE SPARE TIME!

WHAT CAN WE DO OUTSIDE OF OUR FACILITY?

- Sound View has miles of beautiful hiking trails; see the map on the reverse side for more details
- Our breathtaking waterfront and pier are available to all groups. Located at the waterfront are horse shoe pits, a sand volleyball court, teather ball, a firepit, and if you arrange a lifeguard - canoes, kayaks, peddle boats and swimming. There is also nearly half a mile of beach and driftwood to comb.
- The athletic field, outdoor basketball court, activity building, tree house, picnic shelters and campfire sites around camp are all available on a first-come, first-served basis.
- The activity building includes equipment for pickle ball, volleyball, basketball and soccer, and can be set up for barbeques... all under cover in case it rains!

- Sound View has an 18 hole frisbee golf course; it begins and ends in front of the Dining Hall, and travels in a loop around camp. Maps are available.

IF ARRANGED IN ADVANCE, YOUR GROUP COULD EXPERIENCE:

- Archery
- Arts and Crafts
- Challenge Course (Low and High Ropes courses)
- Canoes, Kayaks, and Peddle Boats

WHAT IF I NEED TO COMMUNICATE WITH THE OUTSIDE WORLD WHILE I'M AT SOUND VIEW?

- Camp is all about taking a break from normal life, so communication at camp is intentionally limited, however...
 - There is a phone available to all guests of Sound View mounted on the back of the Dininng Hall next to the mop station.
- Internet access is not regularly provided to guest groups, however your leader may ask the director in special situations.
- Cell phones often find reception on the athletic field, or at the waterfront.
