

Summer Camp 2025

Dear Teen & RAD Campers:

Wow! Your week at Cohutta Springs Youth Camp will be here before you know it. We always look forward to Teen Camp and the energy that you bring to Cohutta Springs! We hope that you are excited about a wonderful week at camp filled with memorable experiences.

One of the anticipated events during Teen Camp is the Teen Extravaganza. On Thursday night, we have an event planned just for you. Don't stress out about a date . . . this isn't a dating event. There will be good food, activities, entertainment, and just a bunch of fun!

The theme of this summer's Extravaganza is "**Passport to the World**", think of other countries and travel. We encourage everyone to dress in costume. Think outside the box and have fun, just remember to bring a costume that fits within Christian standards and Cohutta Springs Youth Camp standards. We encourage creativity, while keeping modesty in mind.

We look forward to taking lots of pictures, eating good food, playing fun games and overall having a fun time.

See you soon!
